Hi Ben, Yes, I will notify the building of the meeting reschedule.

For future reference, will you need this space on a monthly basis, if so, I can try to put in their books to reserve the space.

The CAG Exec Committee has decided to cancel the Dec.7, 2015 meeting for lack of new business.

Feedback from EPA and ATSDR/CDC on outstanding community questions are not ready and nominees for 2016 CAG Exec board positions are yet to be identified.

Feb. 8, 2016 is the target date for the next CAG meeting.
